Dear Students, Parents, and Guardians,

Wellesley Parents Supporting Art Students (WPSAS) announces the continuation of a visual arts awards program in our public school district. Each scholarship is to be used for Summer Intensive Art Courses or Fall Art Courses at the Massachusetts College of Art and Design in Boston through the college's online youth education program. The program is different this year, as we are offering scholarships for online courses only. Please note: detailed descriptions of the summer intensive online courses will be posted on the MassArt website beginning on April 29, 2020.

Eleventh grade students enrolled at Wellesley High School are invited to submit an application for the Junior Portfolio Emerging Artist Award, which can be found attached to this announcement or online at www.wellesleypsas.org
